## Bathrooms and Kitchens - HOME

**Luxury bathrooms and beautiful kitchens designed especially for you...**

### Individuality...

Each kitchen or bathroom is designed by me 'Steve Flewitt' - in Nottingham and each is as unique and individual as you are.

At **1st Bathrooms & Kitchens** in Nottingham we carefully plan and build fitted kitchens that actually do fit into your space and your life perfectly - no compromises!

We design and fit **bathrooms, wet rooms, and shower rooms** that enhance your life and help you to relax.

[Get in touch today...](#)

### Luxury Bathrooms and Kitchens designed with style...

Styles come and go but the reassuring thing about my bathroom or kitchen designs is the classic, enduring and elegant design details that are evident in all projects.

*"Steve has a strong belief in sticking to the principles of good design whilst also being a bit cheeky here and there!"*

[Find out what our clients are saying...](#)

### Functionality...

We use the finest fixtures and fittings available from the best kitchen and bathroom suppliers in the world - giving you the peace of mind that only tried and tested technology combined with the highest quality of workmanship brings.

**Luxury bathroom suites, fitted kitchens, shower rooms and wet rooms in Nottingham and the East Midlands.**

## CONTACT US

Tell us about your kitchen or bathroom design project and find out how we can

## Customer Satisfaction

Your satisfaction is the most important part of our work...

## Testimonials & Approvals

We've collected many testimonials over the years but mostly our clients just

help make it real ...
